

SECURITY RIBBON

The clear varnish ribbons provide a thin, protective covering to secure the personalized data on cards.

ADVANTAGES

It allows a good resistance, a protection from exposure to water, an enhanced chemical resistance and an excellent adhesion on card surface.

Tested and validated by Evolis R&D and Quality departments, these consumables bring you quality and reliability.

Use Evolis High Trust® ribbons to keep off defects and to benefit from high-quality printouts and at an optimal cost-per-card.
